

The Sing Me a Story Foundation™ is a program that combines the imaginations of children with the talents of songwriters to create stories and songs that bring joy to all those involved. Here's how it works:

1. Children involved with organizations serving children in need are given the opportunity to write and illustrate stories about ANYTHING they want.
2. Those stories are then distributed to our SMAS Songwriters through our website, www.SingMeAStory.org, who view the stories, turn them into songs, record them and send them back to the children by uploading them back to the site.
3. SMAS Jukebox Campaigns are then created for each song uploaded in an effort to raise money for the Partnering Organizations and The Sing Me a Story Foundation.

The Sing Me a Story Foundation believes that the greatest gift in the world is the gift of giving. If we can give the children we serve the opportunity to give the one thing they all have regardless of circumstance, their imagination, and bring those imaginations to some of the largest microphones we can find in an effort to remind us all that we have more in common than we often attribute to ourselves, we will have accomplished our goal. We believe our world is a world destined to be united and if Sing Me a Story can be one small part of that - we will have achieved our mission.

If you would like to learn more about our program, please visit our website or contact us via the information below. We look forward to hearing from you!
