Parent Voices on Newborn Screening

We are searching for parents/caregivers of children who received a **positive or uncertain** newborn screening result since May 2021.

The story you share may help us improve newborn screening and teach us how to better communicate screening results to families.

Who can participate?

Parents/caregivers of a child who received a positive or uncertain newborn screening result in the U.S. for an eligible condition since May 2021.

What's involved?

A 1-2 hour virtual interview and a brief questionnaire.

What's in it for you?

All parents who participate will receive a \$50 gift card as a thank-you for their time.
